

SPEAKER LUEDTKE: Mr. President, I move that LB 936 be advanced to F & R Initial. This is the same thing only this one applies to the legislative salaries constitutionally established.

PRESIDENT: Discussion. Record your vote. Have you all voted? Record.

CLERK: 32 ayes, 4 nays on the motion to advance, Mr. President.

PRESIDENT: The bill is advanced. LB 210.

CLERK: Mr. President, LB 210 was a bill introduced by Senator Jerome Warner of the 25th District. Title read. The bill was read for the first time on January 17, 1977. It was referred to the Miscellaneous Subjects Committee. The bill was advanced to General File.

PRESIDENT: We have no committee amendments but we do have an awful lot of other amendments. Senator Warner, will you be kind enough to explain the bill first.

SENATOR WARNER: Mr. President, members of the Legislature, you will recall that LB186 when it was being considered on General File contained the provision which effected the Political Accountability Act and, subsequently, that...

PRESIDENT: Could we have more quiet in the center aisle please? Thank you, gentlemen.

SENATOR WARNER: ...subsequently, LB 186 was amended to take the provisions out of that proposed legislation dealing with the political accountability. I believe it was indicated that the exact provisions that were contained in LB 186 at the time that it was taken out of that bill would be inserted into LB 210. I indicated I had no objections. So there should be among those amendments you have filed, Mr. Clerk, the motion to do that and I think Senator Pereuter signed that but you may want to take them up in the order they were placed there. That is fine.

PRESIDENT: We ordinarily take them in the order in which they are filed, Senator. Is that satisfactory? All right, proceed with the first amendment.

CLERK: Mr. President, the first amendment is offered by Senator Marvel but I understand that he would like to withdraw that.

SENATOR MARVEL: This amendment abolishes the sunshine commission. I ask unanimous consent it be withdrawn.

PRESIDENT: You wish to withdraw the first amendment there. All right. It is withdrawn. Second amendment.

CLERK: Mr. President, the second amendment is offered by Senator Koch. The amendment was printed in the Journal last year. Would you like me to read that, Senator? The amendment reads as follows: Read. (See page 950, Legislative Journal, First Session.)

SENATOR KOCH: Withdraw the amendment.
